Connect with Learning Facilitator Establish GL expectations Tasks for Refined Learning proposal discussed, agreed for production	<p><b>Key points discussed:</b> Confirmed my Culture focus is <b>Japanese Nightlife Culture</b>, and my e-Portfolio must show the full evidence trail (notes → references → report → Canva poster). We agreed on key poster sections and that all claims need proper citations.</p> <p><b>What I must produce for next session:</b> Upload Week 6 notes, compile a Week 6 references list (min 6 sources), and draft a simple poster outline.</p> <p><b>Reflection:</b> I have a clear direction now, but my scope was too broad. Next, I'll narrow to key Tokyo districts and summarise more concisely.</p>	<b>23 Oct 2025/ 4pm/ Level 8 of Block 1A</b>

Tasks to monitor progress and close gaps in research, project work and e-Portfolio curation discussed and agreed for production completed	<p><b>Key points discussed:</b> Reviewed report/poster draft v1 and refined it with district snapshots and an etiquette “Do/Don’t” box. Remaining gaps are clearer history/origins and stronger evidence for economic/safety points.</p> <p><b>What I must produce for next session:</b> Finalise references, complete the final report version, and upgrade to poster draft v2 with cleaner visuals and less text.</p> <p><b>Reflection:</b> My structure is improving, but I still over-explain. Consultation 4	Date/Time/Venue
Practise oral reflection using e-Portfolio as evidence completed	<b>Key points discussed:</b> Practised oral reflection using my e-Portfolio artifacts as evidence and received feedback to focus on learning process and improvements. I should refer to specific artifacts while speaking to show progress. <b>What I must produce for next session:</b> Upload final Canva poster, add a short reflection paragraph in e-Portfolio, and prepare a 1–2 minute oral script. <b>Reflection:</b> I can explain my workflow, but I sometimes speak too generally. Next, I'll point directly to evidence and keep the oral summary structured.
